Pavement Signs - Swinger Range

Pavement signs are a year round out-door and in-door solution for all your marketing needs. Pavement signs can provide either permanent graphics for long lasting branding or the ability to change the message with the poster based pavement signs. This added flexibility allows you to change the message on your display board from month to month or even from day to day.

The magnetically closed polycarbonate poster wallet is easy to update, secure and virtually waterproof

'D-Flex' antishock panel hangers

Choice of permanent graphic or interchangeable poster panel

Built in wheels on larger models for movement health and safety compliance

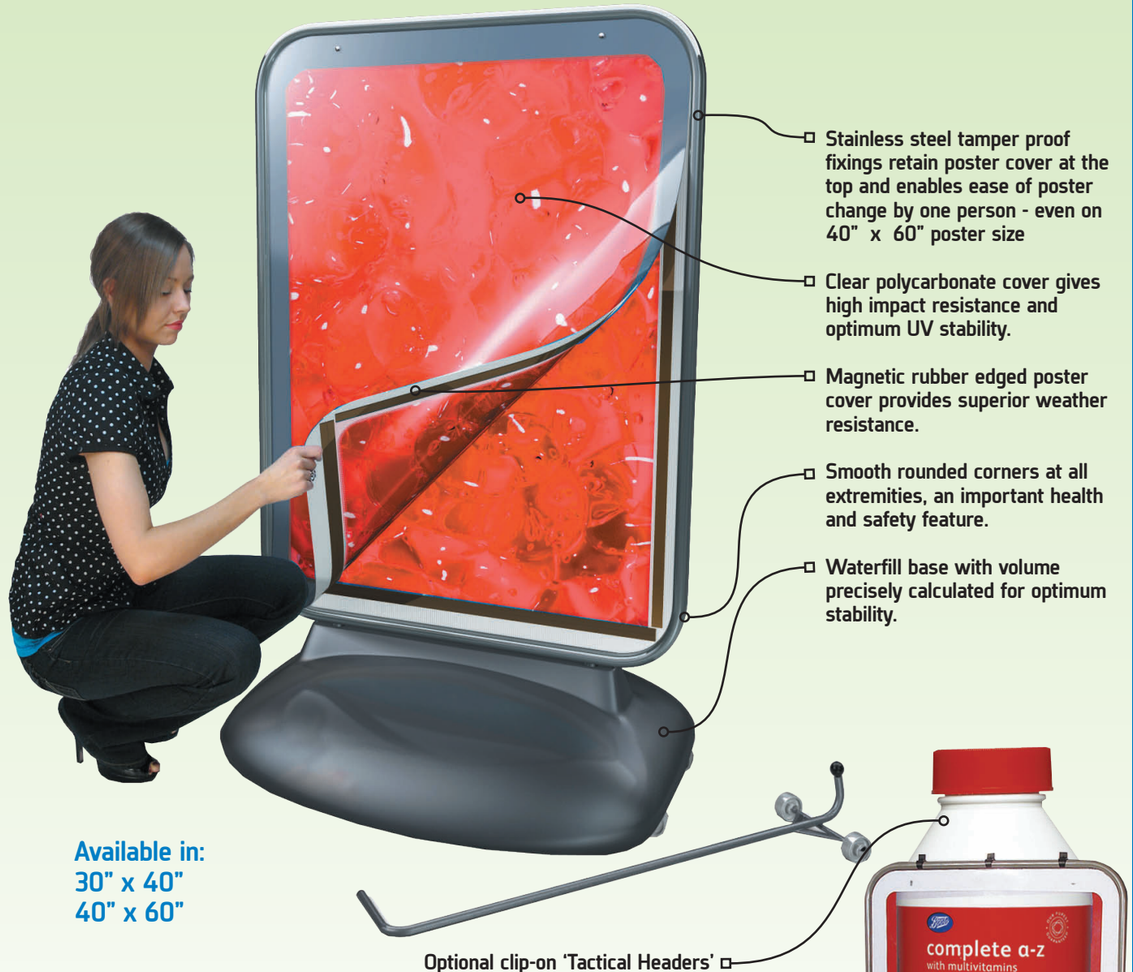
Forecourt Signs

Sentinel For Ultimate....

- Styling
- Performance
- Durability
- Value for money

External forecourt poster signage is a powerful advertising tool. With 70% of purchase decisions made in-store driving footfall into the store is obviously key for retailers and brand owners alike, and nothing does that better than targeted high impact poster advertising outside the store. The use of strong poster graphics displayed in a well designed sign will ensure that first impressions count for success.



Available in:
30" x 40"
40" x 60"

Repositioning or moving Sentinel in and out of the store couldn't be easier with the purpose designed trolley.

Sentinel working up and down the country for Tesco
